Commissioner for Patents and Patent Examiners
USPTO
P.O. Box 1450
Alexandria Va. 22313-1450

This is a response to a Final claims rejection Office Action Summary regarding Patent Application 10/803,626 mailed by the USPTO on Jan. 29, 2007; Examiner Truc T. T. Nguyen Art Unit 2833; Also included with this response is a Request for Continued Examination of Patent Application 10/803,626.

This Response includes newly drafted claims complying with Examiner's comments regarding claim language: "The rejection only base on the claimed language." (Office Action Item, page 3, par. 2 sentence 3).

This response also includes a Remarks section that points out disagreements with the Examiner's contentions and discusses how Applicant's invention is significantly different from prior art referenced by the Examiner.

As recommended by the Examiner, Applicant's new claims have been written with the assistance of a patent attorney.

Applicant is also filing with this response a Request for Continued Examination. Applicant claims small entity status and is including a check to pay RCE small entity fees.

Please cancel the current pending claims 1 – 12 and replace them with Applicant's newly drafted claims 13 – 27.

Applicant states that no new matter has been introduced into the application.

Thank You,

Robert J. Rapp
